Volume 25, Issue 7

Village of Chaumont

The Village Board of Trustees would like to announce the retirement of Mayor Valerie Rust as of August 1, 2023. Mayor Rust has served our community for over 30 years as Village Trustee and Mayor. Her dedication to the Village has been immeasurable and she is deserving of some family and quiet time! Deputy Mayor, Jim Morrow will serve out her term as temporary Mayor until the Village election in November.

The Office of State comptroller announced the ending of the Low Income Household Water Assistance Program (LIHWAP) at the end of August 2023. The last day to apply for assistance for delinquent water/sewer bills is August 31, 2023.

The last day for brush pickup in the Village will be Thursday, October 26th.

President's message

As the season fades towards fall, kids prepare for the coming school year and we reflect on the summer past I wanted to take a moment to thank the Lyme community. Summer is short and we pack extra minutes into every day trying to find time to enjoy the weather and to come together with our families and friends. As a community we came together to rebuild the accessibility ramp at the Copley House ensuring access to anyone wishing to participate in the numerous programs housed within. The

inaugural Guiding Lights Gala was held August 18th in memory of Billy Patterson and was hugely successful thanks to our wonderful donors, sponsors and you the community members who enjoyed and supported the evening. This special night laid the groundwork for the LCF to expand upon the opportunities for programs and scholarships within the community. As we think back on summer of 2023, let us give the Lyme community a round of applause for what was accomplished while thinking forward to what can come next.

Chris Rowland
Lyme Community Foundation President

Spotlight: A Friend of the Lyme Community Foundation

"When the Lyme Community Foundation was established in 1998, I became active in creating Acte II (selling second-hand clothing) with Kathie Carr. We then had a fund-raising fashion show with well-known model Maggie Rizer, which was a big hit in the community.

"I enjoy participating in classes the foundation offers, and for eight years 20 members of my family would come here for Thanksgiving dinner which we held at the Copley House.

"So whether it is helping with events or taking advantage of programs, I have always found that the foundation is an asset to our community."

-- Deanne Scanlon

Farmers' Market

At the Lyme Community Center

12030 State Route 12E, Chaumont, NY

Fridays 11AM-5PM **Ends 9/29**

Free to Vendors. Reserve your space now.

Lyme Community Center Programs

The Lyme Community Center is geared up to help you get over the End of Summer Blues.

Be sure to check out our calendar on the Lyme Community Foundation website. It acts as a digital clearinghouse community wide. If your organization would like to add information to the calendar, please contact our calendar guru at susantontarski@gmail.com. Your Lyme Light calendar is always a good place to start when planning events.

The Office for the Aging offers free lunches to those age 60 and up. The activities begin at 11:00 AM. To register or for more information, contact Jim Morrow at (315) 405-5074 or email j25morrow@gmail.com. Upcoming meals (subject to change) are:

Date of Meal:	Reservation due by:
September 11	September 8
September 25	September 22
October 16	October 13
October 30	October 27

The Copley House Garden will still be the venue for fitness classes as the weather permits. Your instructor will notify you of any changes if necessary.

Yoga with Leah Walldroff are on Tuesdays and Thursdays at 9 AM. Please contact Leah at 719-659-2155 before coming to classes the first time. She only teaches if she has three people attending. \$12 per class.

Maria White's 10 AM Wednesday Pilates classes will continue through October. Contact Maria at 315-778-3233.

Mary Clark, Certified Personal Trainer, offers a Total Body Workout/Cardio class Tuesdays and Thursdays at 8 AM. She holds Boot Camps on Saturdays at 8 AM. Mary offers personal training. Classes are \$10. She needs a minimum of 3 to hold class, so please contact Mary at ltmac727@gmail.com or 315-405-5653. Some classes could be virtual so please communicate with her before your first class.

Cindy Babel's dance classes for children will resume in September on Mondays. If you are interested in adult tap or ballet classes, please let Miss Cindy know. Contact fabfeet2@yahoo.com.

Lunch Bunchers will meet at The Hops Spot in Clayton on Wednesday, Sept. 13, at 11:30. October 10 we will lunch at JK's Roadhouse in Redwood at 11:30 AM. Let Beth (email below) know if you can attend. We hope to see you there!

Lymies on the Loose will go to Rainbow Shores Restaurant Tuesday, September 5. Meet at the Copley House at 3:15 PM, to carpool. On Oct. 7, we will head to the TI Winery for Oktoberfest. Meet at the Copley House to carpool at 11 AM. Please notify Beth at the email below if you plan to attend.

Join us for BUNCO on Third Thursdays. You don't need to know a thing about Bunco to play! We will be meeting afternoons beginning in September. Join us Sept. 21 and Oct. 19 at 2 PM (BYOB – adults only).

The Farmers' Market continues through Sept. 29, weather permitting, from 11 AM - 5 PM. Please contact Barbara Collins at 585-455-2171 for more information.

Contact Beth LymeCCPrograms@gmail.com to get more details about ongoing programs or with ideas to start a new group.

The Lyme Free Library Is 100 Years Young!

The Lyme Free Library is celebrating a very special birthday this year. During our 100th anniversary year, we hope to recognize what the Lyme Free Library has represented to all our neighbors throughout the years, as well as what it will continue to evolve to be during its exciting future. Several events and activities are in the works to help celebrate. We will keep you posted!

We hope you enjoy this sixth and final in a series of Lyme Light vignettes regarding the library's history – from its early beginnings – to the modern and invaluable community resource it has become today. *We would like to recognize and thank the Lyme Heritage Center for graciously supplying the resources used in compiling many of these vignettes.*

#6 – A Vibrant Present and Exciting Future:

Since the dawn of the 1990s, LFL has continued to grow and expand its presence in the community. A rear book room addition and handicap-accessible rest room were added, and a storage shed erected. Future plans include increased and improved facilities and access for all clients, as well as an ever-evolving emphasis on easing processes for utilization of library resources.

Today's Lyme Free Library remains a vital and essential member of our community. Resource offerings include print, audio, and online. LFL has something for everyone – from toddler and pre-school story hours, to invaluable study aids and enriching programs for schoolchildren, to adult learner and book lover programs. LFL is fully vested in the lives of

our Lyme-area clients. Each spring, higher education scholarships are awarded to deserving Lyme Central School Seniors. Library programs designed for all ages are varied and unique, ranging from fine arts to quilting, rocketry to nature and our environment, book discussion groups, and clinics for help with personal electronic devices.

Both the staff and Board of Trustees welcomes all suggestions from the community. As we look forward with excitement towards our next 100 years, we are constantly looking for improvement opportunities, as well as ways to expand our relevance and usefulness within the community. Please don't hesitate to let us know if you have a comment or suggestion. We value your input and appreciate your continued support! Please help us celebrate this amazing 100-year milestone!

Lyme Heritage Center

Gravestone Cleaning at the Three Mile Bay Cemetery

The Three Mile Bay Cemetery looks much better thanks to the hard work of a few teenagers this summer!

The Jefferson County Youth Employment Program provided two students to work for the Town of Lyme in July and August. Under the guidance of Julia Gosier of the Town Board and the Lyme Heritage Center, these girls were put to work gently cleaning gravestones. On rainy days they spent their time at the Heritage Center organizing documents, but if the sun was shining the girls were in the cemetery removing lichen and debris from the oldest stones. Check out these before-and-after photos to see their amazing work!

Need Gravel, Top Soil or just plain Mulch?

Small loads (6 wheel dump truck)

Ideal for cottagers or homeowners

THANK YOU FOR 17 GREAT YEARS AND COUNTING!

The Lyme Heritage Center Needs Your Help!

Lyme Heritage Center volunteers are dedicated to preserving our town's incredible history. We aid genealogy researchers, educate the public, and act as Lyme's official historian.

Unfortunately we have to close for more than half of the year because our building is unheated.

The Northern New York Community Foundation has offered to help the Lyme Heritage Center cover the expense of a furnace system, which will allow us to keep our building open year-round. The NNYCF will match all donations that we receive for this project, up to \$5,000.

We're asking for your help to take advantage of this special opportunity! Please mail your donation to

The Lyme Heritage Center
P.O. Box 285
Chaumont, NY 13622

Or visit lymeheritagecenter.org

The Lyme Heritage Center is a 501(c)(3) and donations are tax-deductible. We will provide donation receipts upon request.

Thank you for your support!

Lyme Food Pantry

The Lyme Food Pantry is open to anyone residing in the Lyme area. We are located behind the Presbyterian Church at 27532 Main Street, Chaumont. Look for the gray building with the red roof in the parking lot with the American flag flying.

Our normal distribution day is Thursday mornings unless help is needed in an emergency. Please call Pantry number 315-649-2424 on Wednesday leaving your name and number. We will call back to set up a mutual time for food pickup. For confidentiality only first names are used in the Pantry and pickups are scheduled 15 minutes apart.

The Pantry food and supplies come from generous food drives, giveaways, and monetary donations. Also accepted are food donations which can be left outside in the a gray cabinet on site or in the box located at the post office. Monetary donations can be mailed to Lyme Food Pantry P.O. 176, Chaumont, N.Y. 13622.

When summer ends, as cottagers and renters close their summer places, the Pantry is glad to accept any unopened food, toiletries, and cleaning supplies. We have freezers and refrigerators to use for storing items. Arrangements must be made for accepting foods needing these appliances.

We THANK YOU one and all for the fresh fruit and vegetables received grown locally, as well as all the staples donated. To help keep the Pantry comfortable during the summer, we appreciated receiving a used air conditioner.

As always with the never ending support of the community, people in need can be fed. During the first 7 months of 2023, the Lyme Food Pantry fed 213 individuals filling 87 requested orders! THANK YOU to the volunteer workers who give their time and energy to have this happen!!

Lyme Central School update

Greetings to all!

At the close of the summer season, Lyme Central School was host to the Summer Theater Institute which is comprised of 50 students ranging in age from 5 to 15 years old and representing 6 school districts. This marks the 7th year of this unique theater camp which operates primarily through grant funds awarded by the Jefferson County Youth Bureau and matched in-kind by Lyme Central School. The camp is under the direction of Mr. Jim Goodenbery, Mrs. Tanya Roy, Ms. Amanda Morrison, and our very own ELA teacher, Mrs. Leah Martineau. This year's play was *Madagascar, Jr* and it was wonderful. Students had one week of camp to learn their lines and song lyrics before performing their production in the evening of their final day of camp. This is quite an undertaking by all involved but such a rewarding experience.

As we enter into another school year here at Lyme, we want all of our visitors to know that we now have the ability to offer guest wifi access. This means that if you are on our school property, you will now have the capability to access the internet while in the stands at a sporting event, on the playground, or in the building for a parent meeting, etc. To do so: please follow these steps:

1. Open your wifi settings and choose the LCSD-Guest wifi in the available networks (include dash!).
2. On the password screen enter **Lakers2023!** Click "Connect".
3. A splash page will appear stating the rules and terms of service for the network. Click "Continue" if you agree. You will be held to the same standard as our Acceptable Use Policy.
4. You are now connected to the internet!

And finally, Lyme Central School will be seeking the community's support in late Fall to approve a building project which will allow for improvements and renovations to the building's failing infrastructure and operating systems. It has been several years since the District has undergone this type of upgrade and the wear and tear on the building is evident. The District will be sending out more information in the weeks to come. Please consider attending **a public information session** to learn more about these improvements on **October**

12th, 2023, prior to our BOE meeting which will be held in the library of Lyme Central School. **The building project will have no impact on our taxpayers.** Eligible voters are welcome to **vote on this proposition on Tuesday, October 24th, 2023** during the hours of 7 AM to 8 PM at the school.

Respectfully,
Pat Gibbons, Superintendent

What to do with fall decorations...?

The decorations of fall - pumpkins, corn stalks, variegated corn, and hay bales. They add to the festiveness of our houses and the season, but what do you do with them after the season is over?

All of these decorations are organic, so they don't necessarily have to go in the garbage. If you have land, even a small lot, composting is an option for these items. It doesn't have to be in a designated composting bin, but put these things in a spot that is out of general sight where the organic material can decompose over time. Animals can use the material for bedding (corn stalks, hay from the bales) and food (the rind from the pumpkin or the kernels from the corn) and the rest can decompose down into rich, organic soil.

So next time, before you send these items to the land fill, see if there isn't a small corner of your lot where it can break down and give its nutrients back to the soil.
